

Britain - Nepal  
Academic Council

Established 2000

27<sup>th</sup> October 2014

### Statement

The Britain-Nepal Academic Council offers its condolences to the families of the tourists, porters, and guides who lost their lives as a result of the unseasonable storms in Manang and on the Thorong La. It hopes that detailed consideration of the work conditions of porters will be part of the Government of Nepal's response.

Professor David Gellner  
Chair
